

INSPECTION

Inspection of Approved Aerial Herbicide Spraying Nipissing Forest

The Ontario **Ministry of Natural Resources and Forestry (MNRF)** invites you to inspect the MNRF-approved aerial herbicide spray project. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Nipissing Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about **August 15, 2017**. The herbicides Forza Silvicultural Herbicide, Pest Control Product registration (P.C.P.) #26401, and Garlon XRT, PCP #28945 will be used.

The approved project description and project plan for the aerial herbicide project are available for public inspection at the Nipissing Forest Resource Management Inc. office (address below) and on the MNRF public website at

ontario.ca/forestplans beginning **July 15, 2017 until March 31, 2018** when the Annual Work schedule expires. ServiceOntario Centres at 447 McKeown Avenue in North Bay and 94 King Street in Sturgeon Falls provide access to the Internet. Detailed project maps can also be viewed on the website www.nipissingforest.com/herbicide.

The aerial spraying will take place in parts of the following townships: Boyd, Butler, Cameron, Crerar, Dana, Gooderham, Hobbs, Janes, Lockhart, Lyman, MacBeth, Mattawan, McCallum, McNish, McWilliams, Mulock, Notman, Papineau, Pardo, Phelps and Stewart.

Interested and affected persons and organizations can arrange an appointment, weekdays between 8:00 a.m. and 4:30 p.m., to discuss the aerial herbicide project by contacting:

Andy Straughan, RPF, Silviculture Forester
