

# NOTICE OF PUBLIC INFORMATION CENTER CLASS ENVIRONMENTAL ASSESSMENT Municipality of Dysart et al Septage Management Study

The Municipality of Dysart et al initiated a Class Environmental Assessment (EA) Study to establish the preferred approach for providing septage and holding tank waste disposal services to the residents of the Municipality. Phase 1 & 2 of the study are progressing to evaluate the alternatives to manage septage and holding tank waste within the Municipality. From this initial evaluation, the study will progress as a Schedule C assessment.

Public and agency consultation is vital to the success of this study. To ensure those interested in this project have an opportunity to provide input to the study, the first Public Information Centre (PIC) will be held as per the details noted below:

## Public Information Centre (#1)

Date: Thursday, August 31, 2017

Time: 6:30pm – 9pm

Location: Haliburton Legion  
719 Mountain St.  
Haliburton, ON, K0M 1S0

## Comments

You are encouraged to attend the PIC to provide your comments so that they may be included in the study. Comments received throughout the course of the assessment will be considered in selecting the preferred alternative. Following the PIC comments will be received until September 25, 2017.

Please contact either of the following if you wish to be added to the mailing list or if you have any questions or comments, or wish to obtain information about the project:
