

PUBLIC COMMENT INVITED

Proposed Ambria (Otonabee) Ltd. Development Water Servicing Municipal Class Environmental Assessment

Ambria (Otonabee) Ltd. is proposing a 130-lot residential development located on Part of Lots 20 & 21, Concession 16 in the Township of Otonabee-South Monaghan, County of Peterborough. The development is situated between Matchett Line and the Otonabee River. There is currently no water servicing for the proposed development and the following alternative solutions are being evaluated for supply options: 1) Do Nothing, 2) Connect to Existing Municipal Service, 3) Individual Lot Level Supply, and 4) On-site Communal Water System.

The Process

The study is being planned as a Schedule “C” project in accordance with the Municipal Class Environmental Assessment (EA) process approved under the Ontario Environmental Assessment Act (EAA) and as described in the Municipal Engineers Association (MEA) Guide for Municipal Class EAs (2000, as amended in 2007, 2011 & 2015).

Public & Agency Input Invited

Public input and comments are a key part of the study. A Summary Report for Phase 1 & 2 of the Class EA Process has been posted to the Township of Otonabee-South Monaghan’s website (<http://www.osmtownship.ca/en/index.aspx>) for review.

If you would like more information concerning this project or would like to provide comments, please contact either of the following study team members by February 9, 2018:
